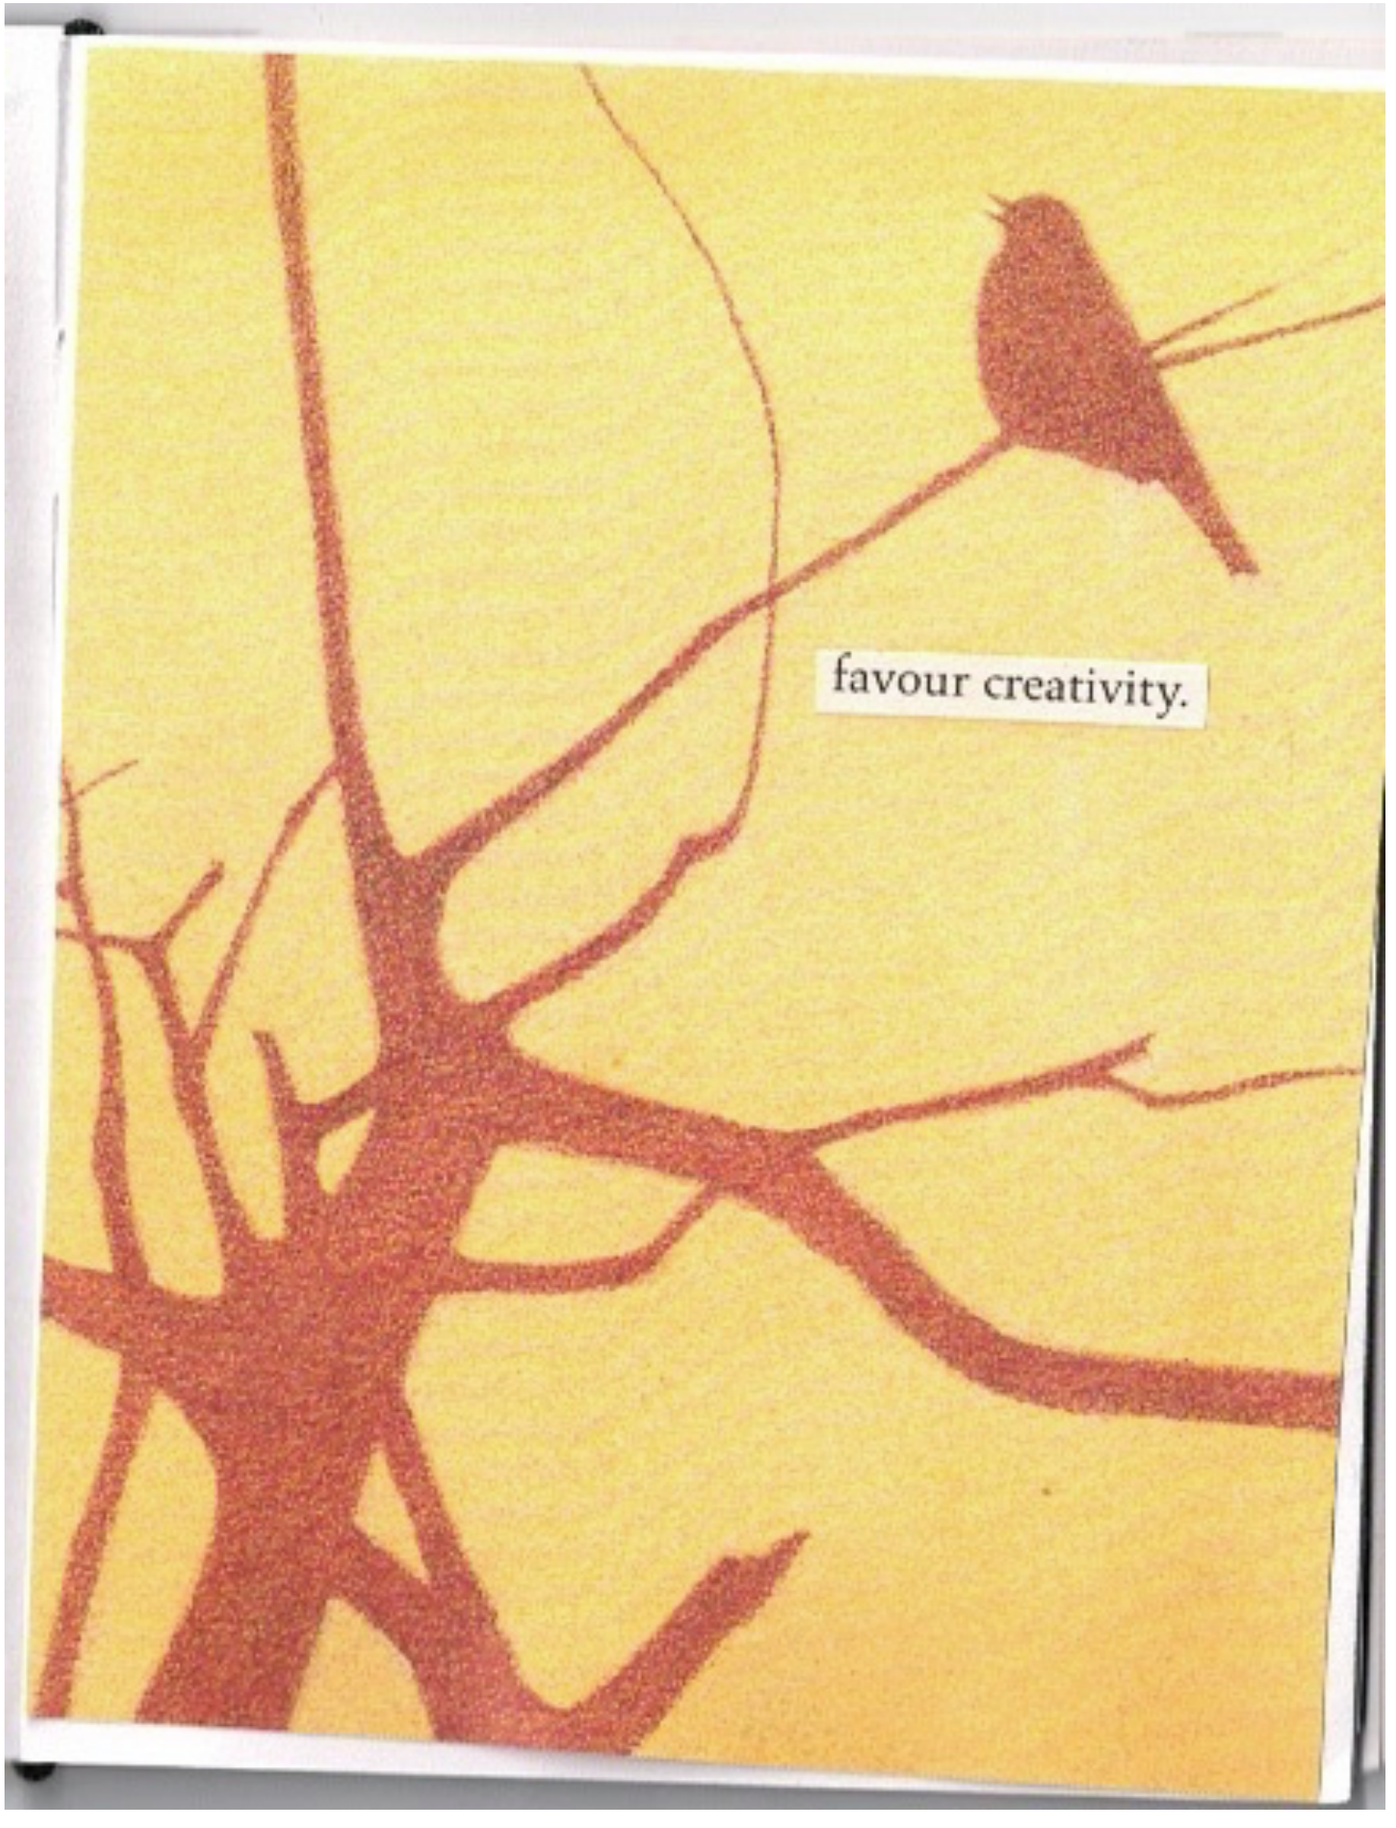
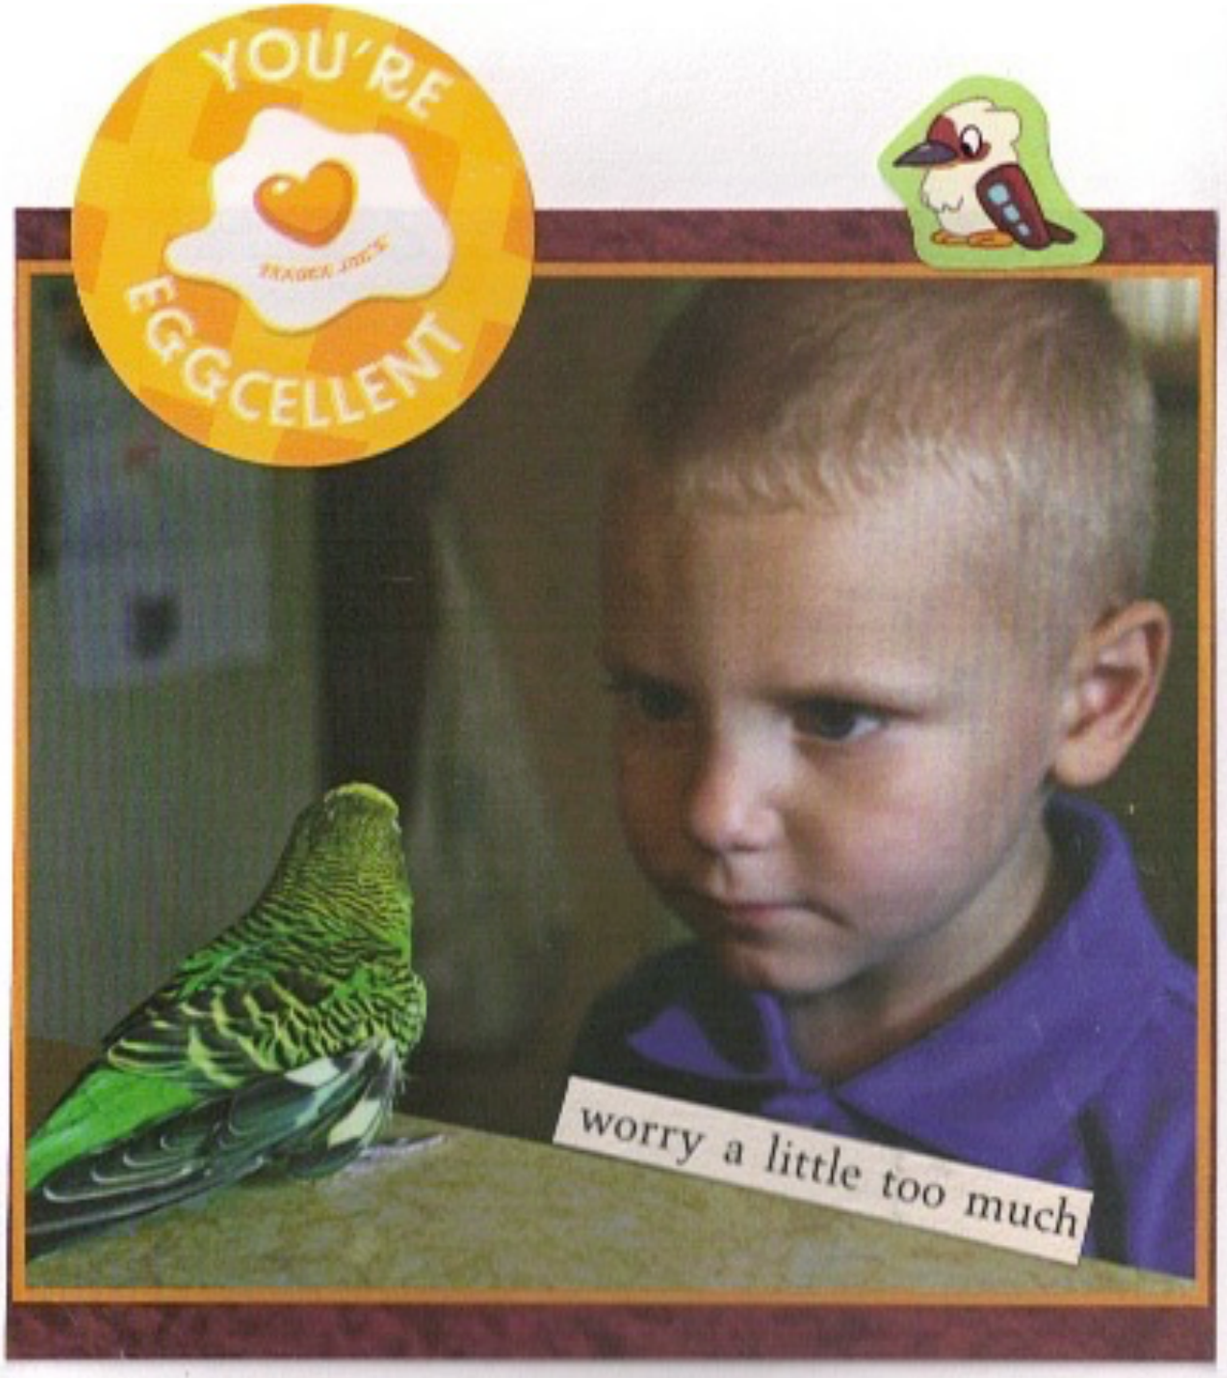
in alert, consult others and consider his actions care-
This is no time for rush or being too single-minded.
ever, by making the most of his opportunities, espe-

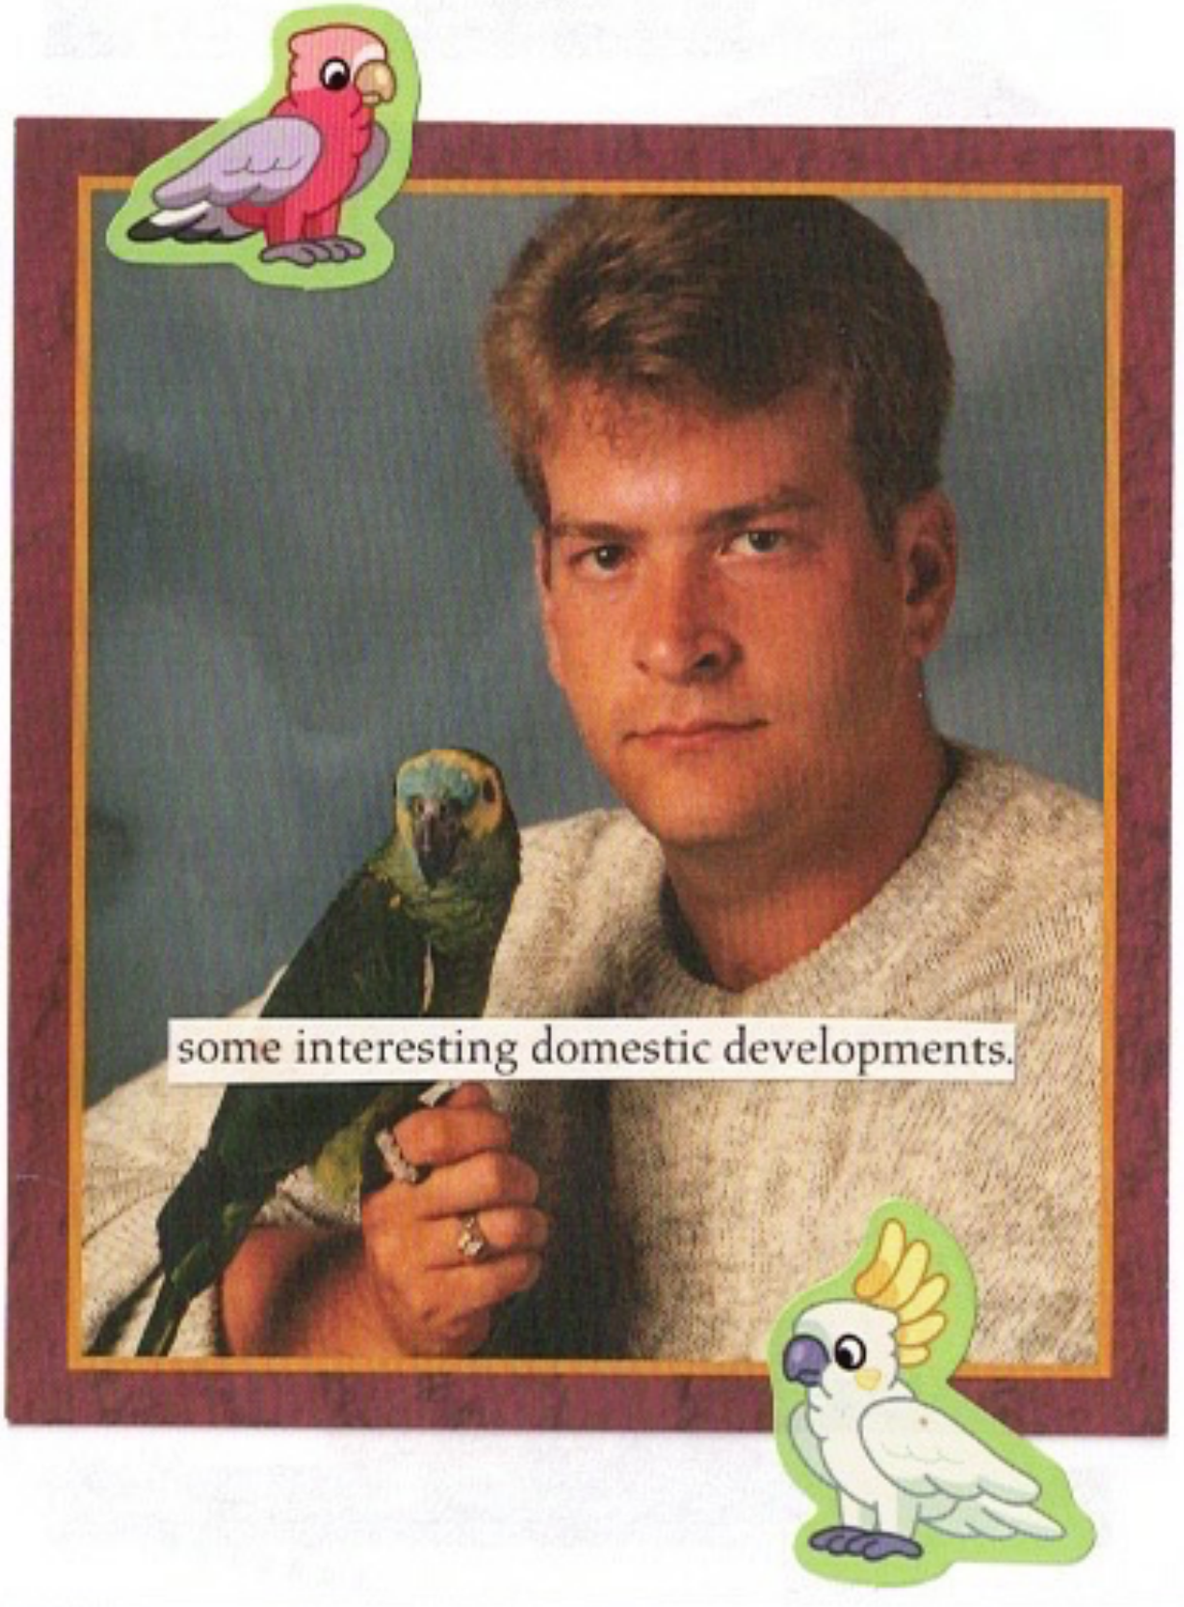
do consult others.



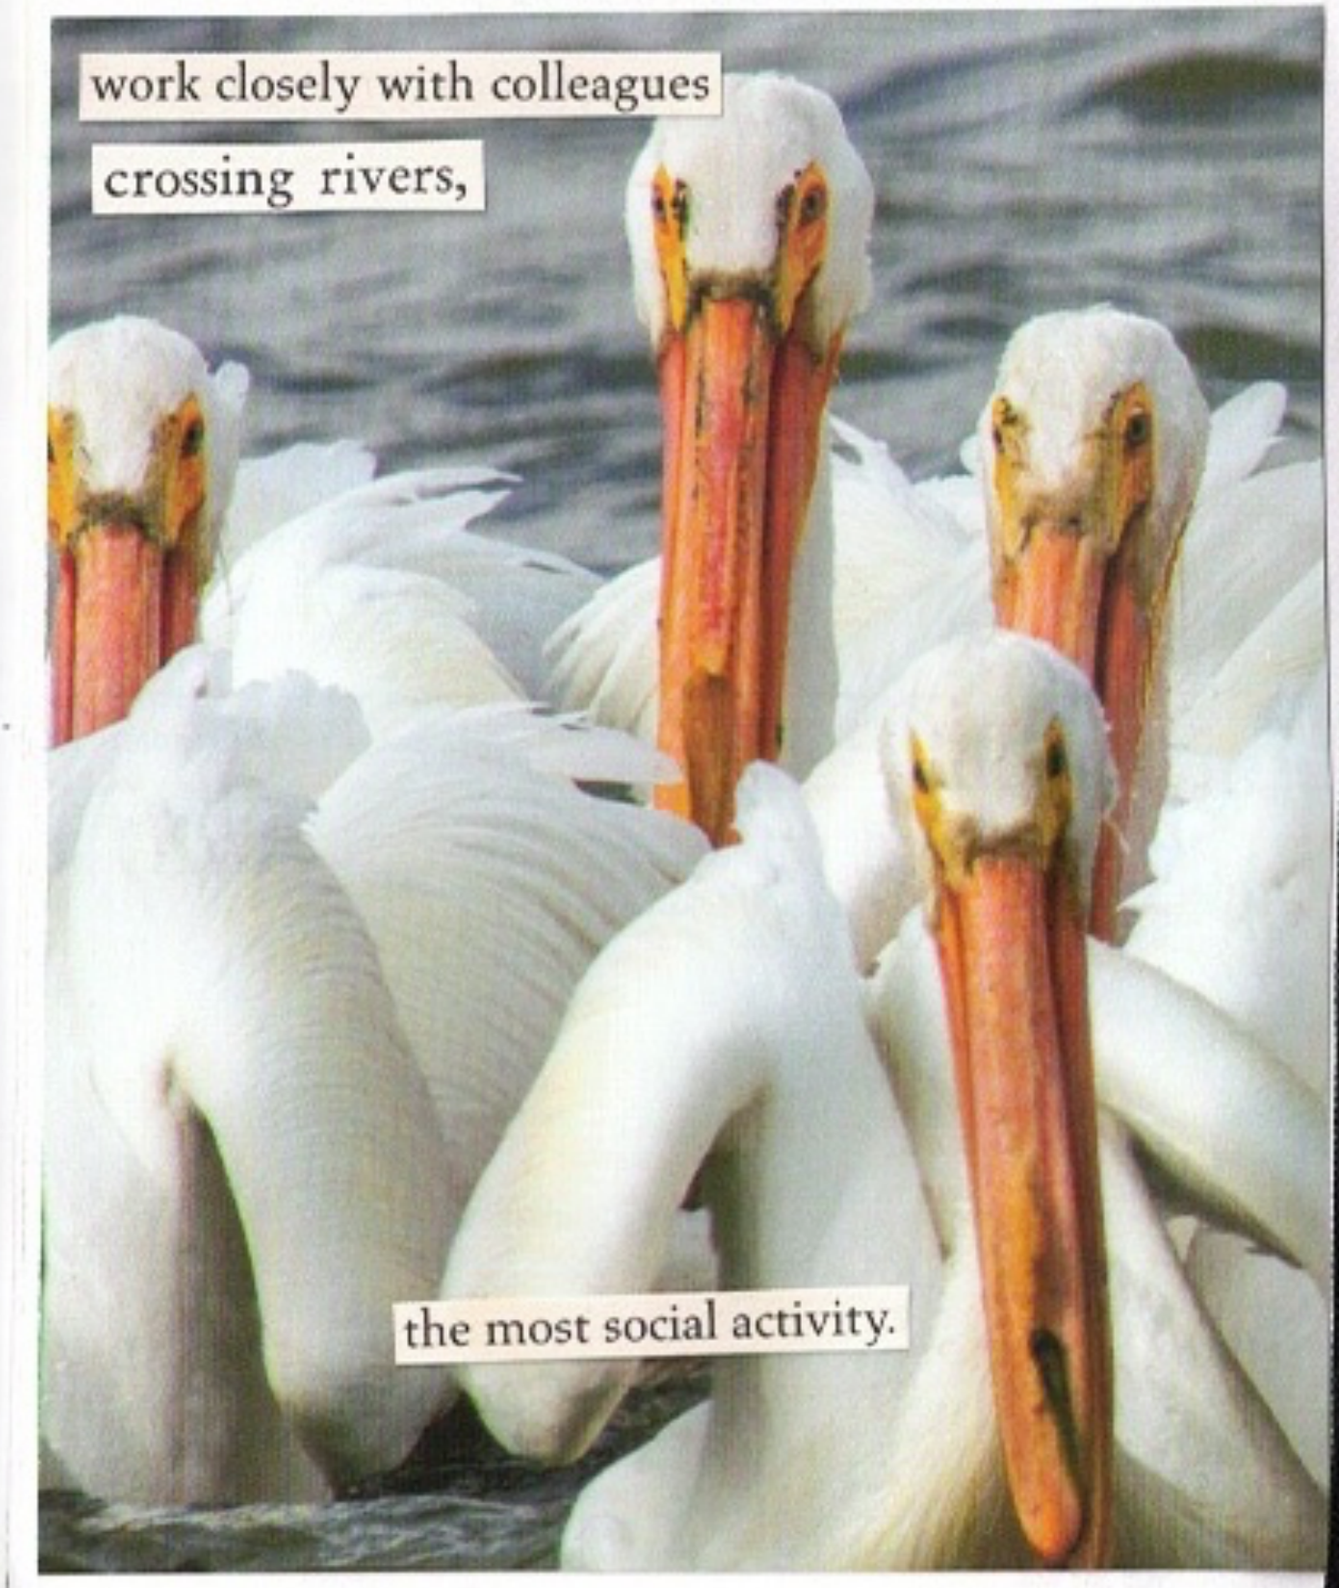
favour creativity.



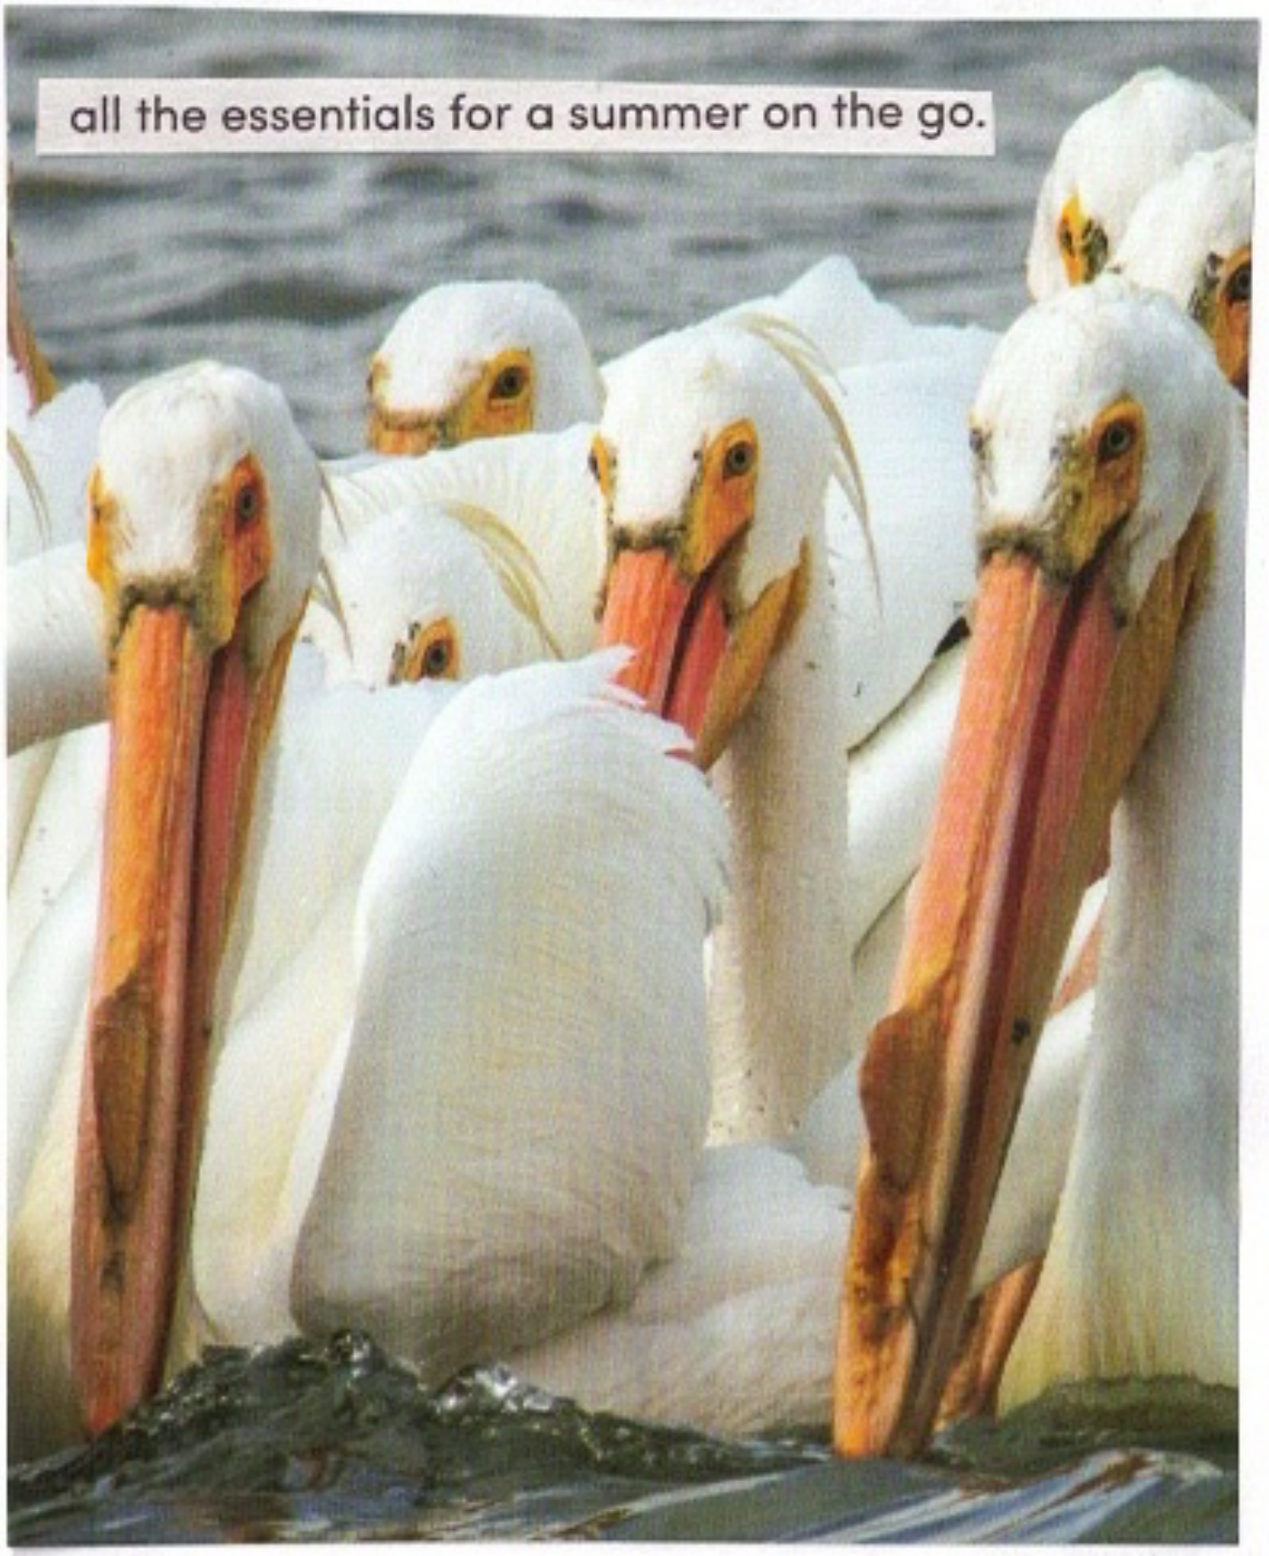
YOU'RE
EGGCELLENT
worry a little too much



some interesting domestic developments.

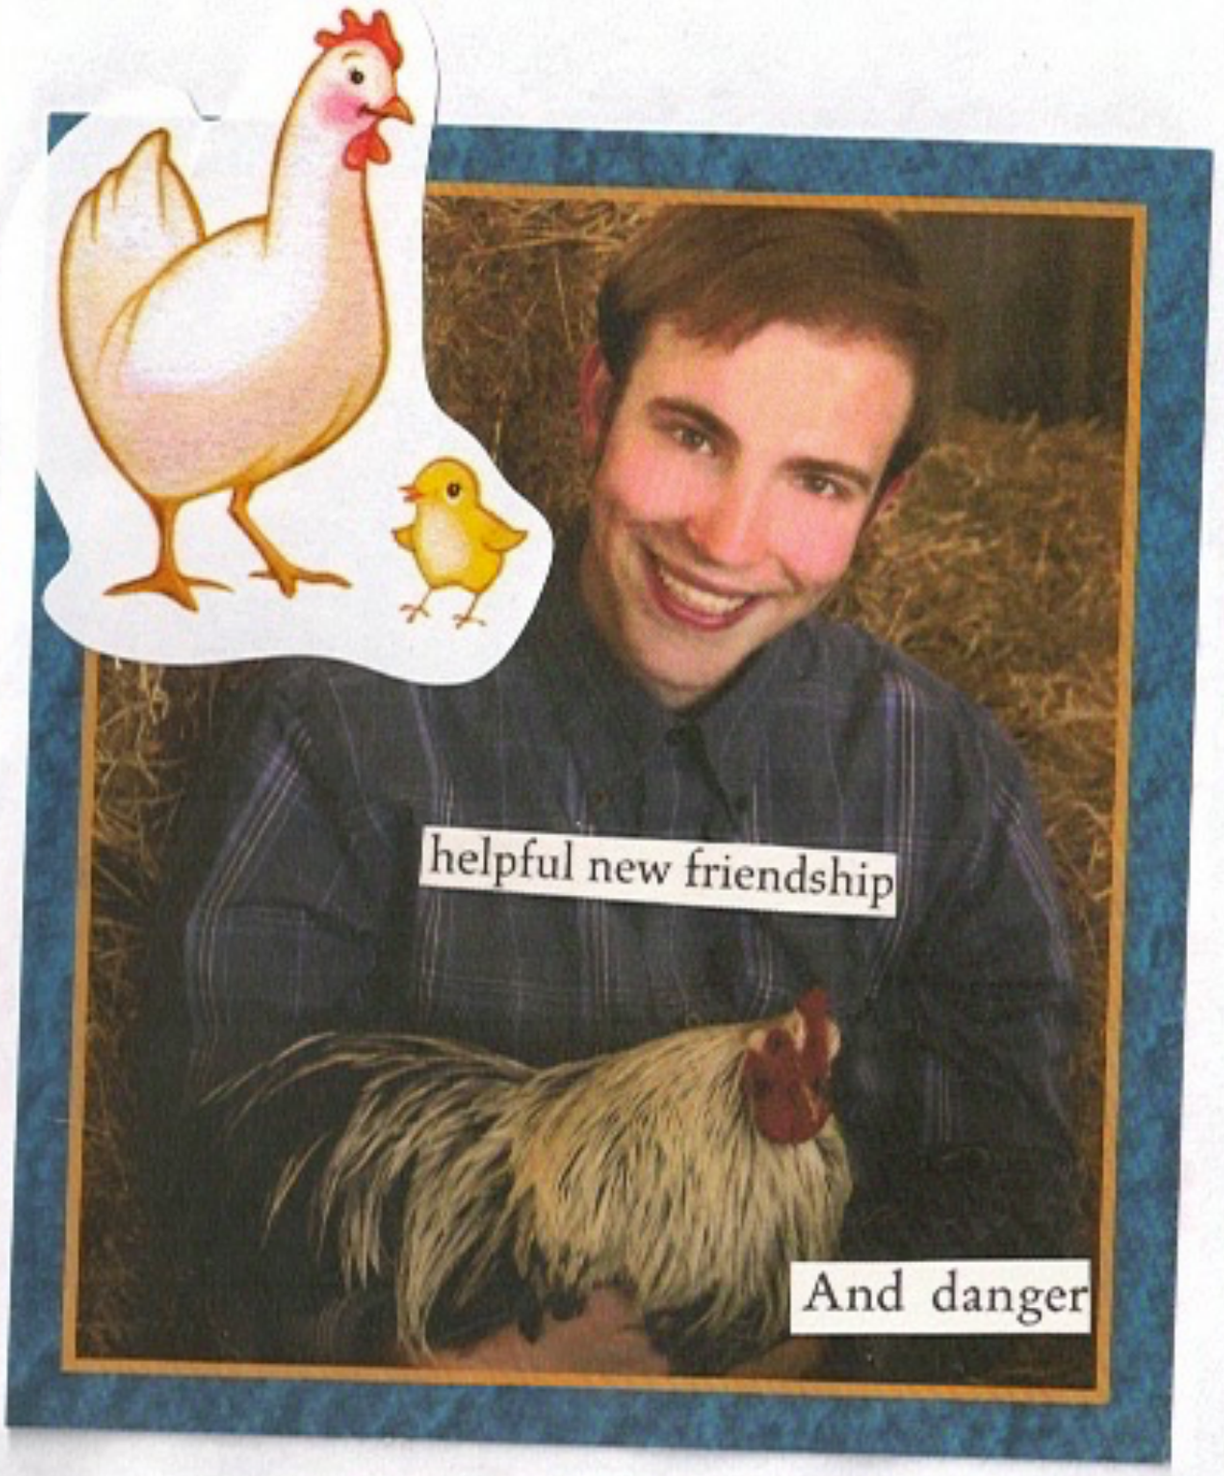


work closely with colleagues
crossing rivers,
the most social activity.



all the essentials for a summer on the go.

networking is just conversations, starting or
nurturing relationships with other human beings.
OR ANOTHER LUCKY SOMEONE



helpful new friendship
And danger

Opportunities can arise unexpectedly

you are master of your own destiny.

a change of scene
Barn's burnt down
Now
I can see the moon
